

^{Hiller}
Resubmitting MEnt (Due Dec 2018)

23rd 9.16 - Chad Murchison

MBStress~~Red~~ - AD pts w/ telemedicine^{some instructor}

3 groups - in person - MB instructor / training
video feed - MB instructor - to people in Portland

Control - watch v.ite + discussion

gb - training - clustering

↓
Pilot for larger trial in future

Stress = primary
salvage control → secondary

* Perceived stress Scale

Cog measures - secondary
motor " → sec/expl.

mindfulness
scale =
feasibility
measure
(also efficacy)

individual randomization.

Group-based interv. delivery → 100

Dean's award: - review prior statistical plans, refine
redo power computations - account for clustering
